John Talcot of Hartford, letter to "Worshipful Sir". (Maj. Pynchon)
& dated June 14. 1682. He says Simon Beaman has been
to him about a barrel of powder had of Mr. Westcarr
in Indian war (Mr Beaman having "watched" the rebels
of Mr. Westcarr.) He, Talcott, distinctly remembers
that a barrel of powder was commanded out of
Mr Jonathan Gilbert's warehouse at Hartford
in September 1675, upon request of some persons
who came down from Springfield by water to get a
barrel of powder, in name of Mr Pynchon; there was
none in warehouse except Mr. Westcarr's barrel; &
issued an order in king's name & took the barrel
of Mr Westcarr & delivered it to the boatman to be conveyed
to Maj. Pynchon, which was done — I remember all
this, but cannot tell who the boatman was — perhaps
it was Henry Chapin. He requests Mr Pynchon
to do justice in the case, & has no doubt he will, having
"the equanimity of your good inclination" &
"My service to your dear Lady presented."
[Beaman did not get pay — he brought the letter to be recorded
in 1690.

The Stebbins.

John Stebbins of Deerfield & John Borland of Boston

John Stebbins of Northampton died seized of a living of lands in Deerfield, what the court gave to his children, 5 sons & 2 daughters — the lands set out to sons, but part to be improved by daughters till redeemed by sons by paying the daughters portions;

Benoni Stebbins purchased of his Bro. Thomas his share of the living; & John Stebbins purchased of his brothers & sisters all the other rights.

Said Borland levied an execution on all the lands supposed to be Benoni Stebbins', for his debt.

Now an agreement is made between the parties & a division, viz between John Stebbins & John Borland

p. 121 Borland's Lot Lay the homelot. 2½ acres
Deerfield 96 adj. John Wms. Lot S. John Stebbins N. Street E. meadow fence W
5 acres in Harrow meadow; 2½ acres in New Fort
5 acres in New Fort — 5 a on Eagle brook plain

Borland had half of the above lots, & John Stebbins had the same quantity in each lot. They to have Commonages in same manner. Thus the "living" as it was called, was equally divided. Each had 10½ acres of meadow. — so far John had 41 acres as John Stebbins had paid more than Benoni, John Borland paid him 19£ to make it even.

Now if either of said Sheldings or any person from either of them shall procure a quitclaim to the lands mentioned in said deed of Joanna & Joanna & Hillary Rickard, children & heirs of said Joanna then the mortgage to be void, otherwise in full effect. (Turn over

The Sheldon's Deed: Joanna Richards was widow of Capt Thomas Richards of Boston; & she sold the land & received the money; but it seems she had no right to sell land, except to pay debts & legacies. There was then now a condition in Sheldon's deed to Isaac about her rendering an account to Judge of Probate in Suffolk, of debts & legacies in the will, to amount to 1108£ & that the land was sold to the Sheldons to pay said debts & legacies. If she presents such an account, & it is recorded or filed, then the mortgage to be void.

If the children of Thos J. Richards, Joanna & Mary shall not put out of possession said Isaac Sheldon nor his heirs, of one half of the land they bought jointly, (but in name of Jonathan) & which Jona has conveyed to Isaac by deed — if the said Isaac is never ejected, then the mortgage to be void

Report of Committee for viewing the Road from Hatfield to lower part of Enfield - to find the most convenient & feasible route

To follow the old road from Fellows gate in Hatfield to the Gt River, through Hadley Street till you come to south side of Mr Chauncey's lot - then eastward to near of homelots & then southward till you come to land of Mr Thomas Seldon then through said land, if it can be upon reasonable terms, if not to take the old road under the mountain as formerly to the gate called the Mountain Gate - thence in common road to the falls a little above the island in Chickopee river, and so through thence in old road by Mr Henry Chapin's house to the northerly end of Springfield town Street, which is sufficient northerly, till you come to Jonathan Morgan's homelot, thence to South end of the town very sufficient; we judge it needful for the street to be 4 rods wide from Jona. Morgan's to the lower end, between the brook & mount Tence, & so 4 rods wide thence to Mr Nath. Burt's mills; and from said mill southerly up the hill on the plain on the back side of Long meadow to Enfield bounds - but to hold out right in old road through the meadow till we come on the hill to make passable for cart & horse - from bounds of Springfield to Freshwater River to the new road laid out by a former Committee - to be 12 rods wide; from Freshwater river to south side of Enfield town

Purchases in Shoprow. [N.H. 1.496

N.H. 2. 193 1769. Thomas Levake, at lower end called 46 feet.
Deed 319. 1783 — had a shop thereon. Hetty owned shop 1783 — called 21 feet deep. (cost 48/.) — Levake came up ... 70 links (46 feet)
" 319. 1774 P.S. ... Oliver Wright next to Levake — 35 feet in front. 35 feet.
" 324. 1784 and 13 feet deep. [illegible] 14 feet ... Wright and 16 ft
" " " Clark & Samuel Clark + they ... Oliver Wright built shop on 16 feet — sold to Hutchins ... to Clark and 16 ft
" Seth Hunt next purchaser before Wright (probably 15 or 16 feet in front). ... S. Clark. 16 feet front. 1793
" 325. 1779. Seth Hunt purchaser of Robert Breck 11½ feet in front & 15 deep and part of shop on the same lot — same probably that Breck & Hunt had between them. 11½ feet.
Seth Hunt (son of Seth) sold this lot to Samuel Clark 1801 called 15 feet deep & 2 6 or 27 long (on Stark). So Samuel Clark bought 62 feet front, but it measured 64.

Benjamin Tappans shop was next in 1770 [but land between

" 318. 1771 B. Tappan bought 25 feet 7 inches by 15 feet of Caleb Allen with a brazen's shop on it [This upper lot had B. Tappans old shop
319. 1783. B. Tappan bought of Hutchins lot N.E. of above had building on it. 15 feet deep. 22 feet 4 inches

N.H. 1.497. 1785. B. Tappan to N. Fowle half of last lot. 11 f. 2 in
" " " 1785 N. Fowle of H. Hutchens lot below last extending N.E. to lot Saml Clark had of S. Hunt and 15 feet deep. [Tappan had upper of this. 14. 2

" 498. 1806 N. Fowle of B. Tappan, quit claim to half the lot next to that Samuel Clark had of S. Hunt's. Each had owned ½ in common — 1 front of whole 18 feet 3 inches. This was half of 22 feet 4 inches above & of 14 feet 2 inches above — both 36 feet 6 inches — half of both 18 feet 2 inches. There remained to Tappan 18 feet & 2 inches and his upper lot & shop " " 25 " " 7 " "
He sold upper lot or 18 feet off it to Joseph Lyman and that left him 25 feet 9 inches for his new shop. but seem now 25 feet 7 inches.

D. 318. 1771. Caleb Allens purchase of 72 feet 7 inches in. was thus disposed of.
Benjamin Tappan had upper part 25. 7
Robert Breck had the rest 47 feet — he sold to Hutchins 36 feet & 6 inches & he sold this 36. 6
part to Tappan & part to Fowle 11. 6
Breck sold to Seth Hunt 73. 7
It had gained a foot.

Jonathan Steames land & shop, referred to in purchases was that or part of that which Th. Craig sold to Solomon Allen, and Allen to James Wales, & Wales to Hutchins in 2 months — they to Ingalls & he to Gore. Not who owned

D 318. 1770 The 96 feet or 5 rods & 2 links which Seth Lyman sold to James Shepard & Th. Hopkins & they to Prescott the 96 feet mentioned. the Samson Butler, Stiles or Stores, Daniel Wright and Fowle — including some of next lot. These lots meadow now. 90 feet 9 inches — 5 feet 3 inches wanting — most of this is in the next lot S.W. (J Steames). Shepard & Hopkins sold upper lot of the 96 feet to N. Fowle, & he sold it & shop 1786 to Solomon Allen. see p. 319. The rest of the 96 feet in 1st was sold to B. Prescott by James Shepard Jan. 12. 1783 p. 324

Next to Fowle comes Jona Steames Lot, width not known. when Steames bought it of Lyman. Probably small — 16 feet — so — may have been 20 feet. 24 feet when Craig sold it

Next from Steames (Gores) to Hunt & Shepherds shop —
2 purchases here in 1769. See p. 318 & 319. Width of one 28 feet in front. Other not given (say 20 feet) — Shepard & Hopkins had both. Shepard sold 1789 — front called 40 feet Eaton was mason 44 feet.
Josiah Dickinson bought 1789.

Purchases in Shop row at Upper End.

Ebenezer Hunts purchased homelot in 1773 having a line E. 38° S. 22 rods 14 links. on N. E side has just the same line now. Was the boundary between Hunt and Hinckley. and between Prescott & Hinckley, a few rods. The line continued to the old buildings (old bank and Hunts shop) would leave all of the old shop 49 feet & the greater part of bank 24 feet to the N. E. of it. Indeed the line runs from E. corner of old shop, S 31° W. 4 rods 2 links or 67½ feet, almost parallel with rear of shop, but leaving a 3 cornered piece of land in rear of shop, before it turns E. 38 S. 22 rods 14 links. So Hunt never owned in rear of his shop, nor in rear of the most of the bank, any land except this triangular strip between N. 31° E. & N. 38 to 39° E. beginning at E. corner of Shop in 1773 — How did Hunt come by this 67½ feet & more in front, projecting beyond the main lot. When was it bought? We have only one sale on record & that is called 24 feet in one spot & 12 in another, both or only one, in 1769.

The two shops made out of or standing where Hunts old shop did, occupy the same ground in front exactly called 49 feet 3 inches, but are considerably deeper - put up 75 feet.

The Trumbull or Trumbles.

p. 374 & 386

A record made by the first Gov. Trumball.

"Two brothers by the name of Trumbull came from England in 1646, or thereabouts; one settled at Charlestown, and the other at Ipswich; from him of Ipswich, I am descended. My grandfather removed to Suffield and died there about 36 years of age – had six children, John, Joseph, Ammi and Benoni, and two daughters. My father Joseph Trumbull, was born Jany 1679; married Hannah Higley who was born in 1684." (from Mrs. Hubbard.

There are many errors in the above.

Hannah Trumble of Suffield married John Strong of Windsor. Nov 26. 1686. or was this the mother or daughter? Was Strong the father or son?

Hannah Trumble died at Windsor Oct 5. 1689. Most likely this was the daughter & the other the mother.

Ammi Trumbull, son of Joseph, married Anne Burnham at Windsor May 9. 1711. Found at Windsor. Had 3 children:
Ammi June 17. 1712
Ann. Sept. 14. 1714

Capt. Ammi Trumbull, his son. died in Windsor 1766 in 55 yr
David Trumbull, son Capt. A. died Jan. 1800. in 55th
Had son Ammi (lives at Windsor) also Guy, David

Benoni Trumbull son of Joseph, married Sarah Drake – probably at Windsor – b. abt. 1702 (to 1706)

John Trumble was of Rowley 1640. – died in 1657. Gage
John Trumble was of Rowley 1676, 1677, 1678, 1680 son of John.
No Trumbull children recorded in R. or more in Gage
The name does not appear in 18th century in Gage.
John Trumble was chosen Deacon Oct 24. 1686. and Gage says he removed to Connecticut.
And one taxed 1691 & "Widow Trumble" is the only one of the name on the tax bill, Taxed 5d – a medium tax.

Mr Savage says "Joseph & Judah Trumbull of Suffield were sons of John Trumbull of Roxbury, who went to Rowley and died July 1657."

Late Gov. John Cotton Smith, son of Rev. C. M. Smith,
supposed Ichabod Smith was son of Rev. Henry
Smith of Wethersfield — must have got this from
his father, yet there was a Samuel between
Henry & Ichabod, who lived at Northampton and
Hadley. Strange that Rev. C. M. S. did not know
his own great grandfather! Gov. J. C. Smith
said his grandfather Samuel was a
merchant in Suffield, & became acquainted
with his wife while purchasing goods in Boston,
* & she was a daughter of Cotton Mather. Her
son Simeon was a physician in Sharon; son Paul
also removed to Sharon. 2 sons of Dan Smith

Springfield granted land there to several — in May 1683, in a petition only for a township, they say "some have made a beginning at Freshwater brook already." They say the best of the land is within 1½ miles of the great river, and at end of the 1½ mile run some places not ½ mile, for 5 miles eastward of River, "the land is generally pine barren sandy land capable of no improvement" Better land 6 or 7 miles east of river under and upon the mountains. They ask for 10 miles east, from Longmeadow brook N. to foot of falls S. They say the land in the 1½ miles is woody & swampy and must be won by hard labor for improvement.

7th Lot. Obadiah Miller had it of Mr Pynchon - had it 1709. 1712 &c. This seems to have been the least of the lots S. that butted on the 3 cornered meadow — Seems to be Parsons or Francis Pepper's lot — had highway into 3 cornered meadow on S. or partly on S.
